

# CONFIRMATION OF ABORIGINALITY

## APPLICATION FORM

The ATSICHS Board takes the responsibility of confirming Aboriginality seriously and will only consider cases where the applicant and their family heritage is known to the Board and where they meet all eligibility requirements. This position has been taken as these requests are generally for the purpose of seeking eligibility to services and opportunities that are exclusively for the benefit of Aboriginal and or Torres Strait Islander people.

### Eligibility

1. **Aboriginality eligibility** - to meet this criterion, you must be able to satisfy all three-parts of the following definition:

- descent - the individual can prove that a parent is of Aboriginal or Torres Strait Islander descent (family tree required); and
- self-identification - the individual identifies as an Aboriginal or Torres Strait Islander; and
- community recognition - the individual is accepted as such by the Aboriginal or Torres Strait Islander community in which they live (two written references required).

In cases of stolen generation or disconnection from family, the ATSICHS Board will consider applications where you can provide clear supporting documentary evidence (from Link-up or other such family history or reunification services) that your family heritage is Indigenous.

2. **Locational eligibility** - relates to the coverage of ATSICHS being for the Aboriginal and Torres Strait Islander Community of Brisbane. To meet this criterion, you must be:

- from Brisbane and you still currently living in Brisbane; or
- from Brisbane or have lived the majority of your life in Brisbane, but you are currently living elsewhere; or
- born and/or raised in Brisbane regardless of where your family is from; or
- from a community outside of Brisbane, but you have lived the majority of your life in Brisbane; or at least the past 5 years.

If your family heritage is from outside of Brisbane and you do not meet the above criteria, your application will not be accepted. You should instead seek your confirmation from a relevant local Indigenous organisation in the area where your family is from.

### Completing the Application Form

This application must be correctly and fully completed. It is your responsibility to provide the necessary documentation to prove that you meet the Confirmation of Aboriginality criteria. If you do not provide sufficient documentation, then your application will not be considered by the ATSICHS Board and will be returned to you for completion.

The Confirmation of Aboriginality remains entirely at the discretion of the ATSICHS Board. Despite an application being complete, if the ATSICHS Board does not have any knowledge of the applicant or their family heritage, they will not approve the Confirmation of Aboriginality.
