WE'RE
HERE TO
HELP...

We provide a range of health care services for our community. Our clinic is the first point of contact when you come to see us. You will be assessed and then any relevant referrals made.

We offer a range of services

Not just a general practice we have range of medical specialists and allied health professionals who regularly work from our clinic including:

- Physio
- Eye and ear checks
- Foot specialists
- Paediatrician and Child Health Nurse/ Midwife
- Dietitian and Diabetes Educator
- Social Health support – psychology services for adult and child
- Child Speech and Occupational Therapists
- Adult Occupational Therapists.

Check with reception for appointments.

Social Health

Our social health team can help you with counselling including drug and alcohol, social and emotional wellbeing, mentoring, men's and women's groups and mental health advocacy.

School health checks

Our clinic has a number of Aboriginal health workers and a community liaison officer. We are happy to come out to schools in our local area.

Do you have a chronic illness?

We have care coordinators who can support you and help you manage all your health needs.

Best of all
we BULK bill

OUR STAFF

We have a dedicated and friendly team of doctors, a practice manager, nurses, Aboriginal and Torres Strait Islander health workers, care coordinators, community liaison officers, outreach workers, receptionists and transport drivers, and a wide range of specialised health professionals.

Don't have transport?

Transport is available for certain patients who meet the current transport policy. Please ask reception when making an appointment.
