

PATIENT ELIGIBILITY FOR OUR DENTAL CARE

Am I eligible?

To be eligible for appointments at our dental clinics you must:

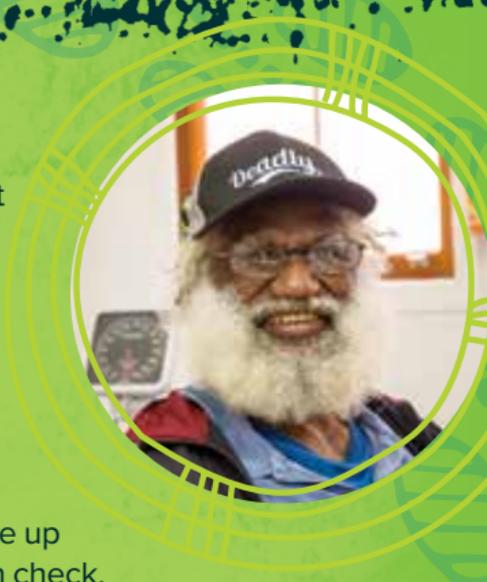

- reside in south east Queensland and identify as Aboriginal or Torres Strait Islander
- be a regular ongoing patient with one of our ATSiCHS Brisbane medical clinics and be up to date with your annual health check.

If you are a new patient to ATSiCHS Brisbane, our GPs will need to have had a chance to review your medical records.

We encourage kids to get their health check prior to their dental appointment. We have a dental van at the Murri School that specialises in children's dental care. We can also see kids at our two other clinics.

What if I'm not an ATSiCHS Brisbane client?

If you do not currently attend one of our ATSiCHS Brisbane medical clinics, you are invited to transfer your medical records and become a regular ongoing medical patient. You will then become eligible for dental care once your health check is completed.

If you prefer not to attend one of our medical clinics, you are unable to access the dental clinics at Woolloongabba or Logan.

What are my alternatives?

Other choices for dental care are:

- Queensland Health Oral Health - if you are a holder of a Centrelink concession card call them on 1300 300 850 or
- a private dentist of your choice.

If you are a non Indigenous patient with an Indigenous spouse you may be eligible for care. Please contact our dental team for further information.

FOR MORE INFO

Contact our
**Woolloongabba
Dental Clinic** on
3240 8922 or
Logan Dental Clinic
on **3029 6518**.
