

OUR DENTAL SERVICES

**A HEALTHY
SMILE IS A
DEADLY
SMILE**

WE'RE HERE TO HELP...

Our dental team consists of dentists, oral health therapists, dental assistants, dental prosthetists, dental technicians, dental receptionists and a practice manager

Dental services are available at our Woolloongabba and Logan clinics. Our aim is to assist Aboriginal and Torres Strait Islander clients to improve their oral health.

All services are provided in the clinics and staff are supportive of visiting and participating in community days and other special events to provide information on dental care and disease prevention.

Our services include

- dental screening and check ups
- emergency treatment for toothache, trauma and wisdom teeth
- routine dental checkups and screening
- fillings
- extractions
- root canal on anterior teeth
- wisdom teeth extractions
- dentures and crowns
- mouth guards and splints
- specialist referrals
- scaling and cleaning with oral health promotion
- regular recalls and follow up

Eligibility

To be eligible for appointments at our dental clinics you must:

- reside in South East Queensland and identify as Aboriginal or Torres Strait Islander
- be a regular ongoing patient with one of our ATSICHS Brisbane medical clinics. If you are a new patient to ATSICHS Brisbane, our GPs will need to have had a chance to review your medical records.

We encourage kids to get their health check prior to their dental appointment. We have a dental van at the Murri School that specialises in children's dental care. We can also see kids at our two other clinics.

If you are a non-Indigenous patient with an Indigenous spouse you may be eligible for care. Please contact our dental team for further information.

Are there fees?

There are no fees for general dental care provided the eligibility criteria is met.

Fees do apply for laboratory work, e.g. mouthguards, denture and crown work.

Treatment is provided to the majority of children via the Child Dental Benefits Scheme.

Aged pensioners are eligible for free acrylic dentures.

PARKING

Parking is available at our Woolloongabba Dental Clinic behind the main building. Entry is via Clarence Street.

Parking is available at our Logan Clinic at the front of the shopping centre or at the train station.

Both clinics are easily accessible by public transport.
